

Arruti designs and manufactures vibration dampers, spacers, transmission and fiberoptic hardware, mechanical, compression and welded connectors for transmission, power substation and distribution systems for application in grounding, distribution, transmission and substations with capacities up to 500KV.

Defender Plastics manufactures BOLO™ Corner Guard, a first-of-its-kind, all-in-one utility box pad protection system that reduces the amount of time and money spent repairing or replacing damaged pads and partially buried fiberglass utility infrastructure.

King Luminaire manufactures decorative outdoor lighting from park lighting, streetlighting, new home development to utility. King Luminaire can help design and supply outdoor lighting products for most applications metal, aluminum and cast iron poles along with bases, arms and banners. Made in the USA. Excludes

Pelco Structural Transmission, Substation, Distribution tapered tubular steel structure for applications up to 765kV, They pre-fit multi section structure before they ship to ensure accuracy. Offers temporary Emergency Transmission structures for fast installation that fits most application during any emergency needs. Made in the USA.

Premier supplier of transmission, distribution, substation and building wire and cable. Aluminum, Service Drop, , MV Cable, Bare Cu, Control Cable, Guy Wire, Aluminum Clad, Airport Lighting, Portable Cord, Welding Cable, MC Cable, Category Cables, Coaxial Cables, Electronics Cables, Ground Rods and Accessories.

Radian Research, Inc. is a recognized world leader of Energy Reference Standards, Energy Meter Testing Systems, Current Transformer Testers, Meter Test Boards, DC to AC Transfer Standards, and Automated Laboratory Energy Reference Systems. They provide both portable and primary energy reference standards that are absolutely unequaled in accuracy, stability and reliability.

Reinhausen manufacturers high-quality products such as on-load tap-changers and de-energized tap-changers, innovative sensors, automation technology and analytics, as well as an increasing number of digital solutions. Made in the USA.

SPS Manufactures Low voltage switchgear & switchboards, medium voltage metal-enclosed and metal-clad switchgear, low and medium voltage arc-resistant switchgear, metal-enclosed power capacitor banks and harmonic filter banks, PME enclosures, relay panels, skids, and e-house buildings. Turn Key drop in control houses. WBENC and made in the USA.

StressCrete makes High Quality Spun Concrete Poles, power distribution and transmission poles as well as a line of specialty poles that are suited for camera and solar applications. Made in the USA.

Transmission & Distribution Services, LLC is a cost-effective leak seal solution to re-gasketing equipment for oil, nitrogen and SF6 leaks. Leak repairs on Transformers, Circuit Breakers, and Cable. Oil and gas leak detection and control programs.
